PETE BRECKINRIDGE

★ 20TH ANNIVERSARY ★

PICTURED: Pete Breckinridge is on his way to a surprise victory at the 44th annual JFK 50 Mile in 2006. This year marks the 20th anniversary of his title run. Making his ultramarathon debut, the 36-year-old from Norfolk, Va., rallied to win by nearly eight minutes, finishing in 6:04:40. He was 14th coming off the Appalachian Trail and eighth at halfway, still 11 minutes behind the leader, before moving into first for good at mile 34. A former All-Colonial Athletic Association runner at William & Mary, Breckinridge had returned to running only about a year earlier after roughly a decade away from the sport.

A Letter From Race Director

Dear JFK 50 Mile family,

In the nearly two-thirds-of-a-century history of the JFK 50 Mile, numerous elite-level athletes have departed Boonsboro, flown over the Appalachian Trail, C&O Canal Towpath and the rolling roads of Washington County, Maryland, to etch their names in the honored list of JFK 50 Mile champions.

Heavy favorites like Olympic Trials qualifiers Max White (1973 & 1974), Michael Harrison (1996), Howard Nippert (1998 & 2005) and Max King (2012) have carried the "favorite" role to the starting line — and then proceeded to take care of business.

On rare and very memorable occasions, "dark horses" have emerged at the JFK 50 Mile and "shocked the world!" Possibly the most unlikely victor emerged in 2006 when Pete Breckinridge "came out of nowhere" to become one of the biggest surprise winners in JFK 50 Mile history.

Pete had been a good runner for the College of William & Mary in the early 1990s, but when he arrived at the starting line of the 44th annual JFK 50 Mile on November 18, 2006, he hadn't raced seriously in a decade and had never competed at a distance longer than a marathon.

As he worked his way up through the field — and eventually into the lead — he had race officials and the press scrambling to figure out who he was. Andy Mason, who was covering the race for the Hagerstown Herald-Mail, recognized Pete. They had been fraternity brothers at William & Mary over a decade earlier.

Wearing a three-digit unseeded number, Pete crossed the finish line victorious in 6:04:40, forever becoming a part of JFK 50 Mile folklore.

As we celebrate the 20th anniversary of Pete's legendary triumph, one can only wonder if another "Pete Breckinridge" will emerge from this year's starting field.

Whether you are looking to shock the world or shock yourself (which is just as noteworthy), please keep in your thoughts the courageous men and women of our military who are currently situated around the globe "protecting the freedom of man" — and making possible events like the JFK 50 Mile.

Best wishes,

Mike Spinnler
